## Important Highlights

### 9. International

- a. **Managing Director of IMF Kristalina Georgieva has supported Pakistan's decisive measures** to limit the impact of COVID and save lives. Moreover, IMF has **approved \$1.36 billion** loan to Pakistan.
- b. **US announced \$8.4 million to help Pakistan's anti COVID efforts.** The contribution was announced on US mission's social media platforms by Ambassador Paul Jones.
- c. **Japan has offered a cash payment of 100,000 yen (\$930) to every resident** as a measure to contain the COVID effects.
- d. **Staff of a hospital in Allahabad, India protested** against assaults on medical workers in different parts of India during nationwide lockdown.
- e. **Denmark has decided to allow small businesses**, such as hairdressers, beauty salons and driving schools, **to reopen from 20<sup>th</sup> April** after lock down.
- f. **UN Sectary General showed his concern about health of children** and stated 'with many children in jeopardy, I appeal to leaders at all levels to do everything in their power to cushion the impact of the pandemic and protect our children'.
- g. European politicians, CEOs, lawmakers and activists called for green investment to restart growth after the COVID pandemic, saying **fighting climate change and promoting biodiversity would rebuild stronger economies.**
- h. First consignment of **0.5 million Rapid Testing Kits** from China has reached India.

### 10. National

- a. **PAF C-130 carried 11,000 pounds of medical equipment for Balochistan.** It included N95 masks, protective gears, gloves, face masks, testing kits and medical equipment.
- b. **Government of Sindh has decided to fully seal hotspots** in Karachi with a view to isolate areas in which COVID is on rise.
- c. **PIA has scheduled 23 special flights to repatriate stranded Pakistanis** from UK, China, Algeria, Dubai and Indonesia from 18<sup>th</sup> to 20<sup>th</sup> April.
- d. **Government is planning to launch a portal to allow health professionals abroad to help in the country's** fight against COVID.

- e. Foreign Minister launched 'FM Direct' a mobile application for a direct digital connection between him and all officers of his ministry. **It's a new and evolved way of thinking, encapsulating the spirit of meritocracy and transparency through digital communication and can be taken as a guide by other ministries.**
- f. **Young Doctor Association appealed to Chief Justice for provision of insurance services** and WHO standard PPEs to doctors and paramedical staff.
