## **Important Highlights**

### **9. International**

- a. UK announced assistance of **£2.67 million for Pakistan to combat the COVID pandemic and £1 million** to prevent destruction of crops by locust.
- b. Iran allowed **selected businesses to reopen** after facing bitter choice between risking infection and economic ruin.
- c. South Korea on Sunday reported **single-digit new COVID cases for the first time in two months**.
- d. President Donald Trump on Friday **announced a \$19 billion relief program** for farmers to cope with the impact of COVID.

### **10. National**

- a. PM rejected rumours that **relief to construction sector was an amnesty package**, rather it is meant to support poor by creating employment opportunities.
- b. PM rejected claims that the **government was hiding COVID deaths**.
- c. IHC directed government to **give expatriates same facilities in quarantine centres** as they get in an **expensive hotel** or allow them to go under **self-isolation at places of their choice**.
- d. Mr Asad Umer warned that even though the **country's COVID positive cases are lower than projected and the situation is still uncertain**. Enhancing **testing capacity and taking it up to 25,000 tests daily** by end of the current month is essential to Govt's COVID policy.
- e. PM said that the **country would stand victorious** in ongoing war against COVID **if we succeed to control poverty** despite containing the COVID.
- f. Pakistan Medical Association requested Chief Minister Sindh to shift COVID **patients kept in home isolation to isolation centres planned by government** to prevent spread.
