## Important Highlights

### 9. International

- a. **US FDA registered passive immunization technique** for treatment from National Institute of Blood Diseases, Pakistan.
- b. **Germany begins widespread anti-body testing** as lockdown is slowly lifted.
- c. **21 Indian navy sailors tested positive** for COVID at Mumbai base.

### 10. National

- a. Government **extended suspension of international and domestic flight operations till 30<sup>th</sup> April** in line with national strategy to stem spread of COVID. However, during this PIA will operate its relief flights to facilitate stranded Pakistanis.
- b. PM urges masses to **stay home as much as possible** during this pandemic stressing that, the **more people show self-discipline**, the **easier** it will be for government **to manage the COVID** and to **ease the lockdown gradually**.
- c. NCOC **plan advocates social distancing** during holy month.
- d. At least **15 people infected with COVID** were **released** from Rawalpindi Institute of Urology and Kidney Transplant (RIUKT) after **recovery**.
- e. **Seven quarantine centres** have been set up in the **Khyber tribal district** for people returning from Afghanistan which could **accommodate 1,500 people**.
